## 10 tips to make physical activity a regular part of the day

**Adding activity into your day is possible.** Choose activities that you enjoy. Adults should aim for at least 2½ hours or 150 minutes of physical activity each week. Every little bit adds up, and doing something is better than doing nothing. Most important—have fun while being active!

### 1 take 10

Do at least 10 minutes of activity at a time to reach your weekly goal. Walk the dog for 10 minutes before and after work and add a 10-minute walk at lunchtime.

### 2 mix it up

Start the week with a swim at the pool, take a yoga class during a weekday lunch, lift weights in the evening, and end the week by working in the garden.

### 3 be ready anytime

Keep comfortable clothes and walking or running shoes in the car and at the office.

### 4 find ways to move

Take a brisk walk around the parking lot, jog to the bus stop, or ride your bike to the subway station. If you have an infant or toddler, take a long walk using the stroller and everyone gets some fresh air.

### 5 work out during TV time

Watch a movie while you jog on a treadmill or download a video on your phone and watch while you ride a stationary bike.

### 6 be an active parent

Instead of standing on the sidelines, walk up and down the soccer, football, or softball field while the kids play their game.

### 7 find support

Join a walking group, play wheelchair sports, practice martial arts, or sign up for an exercise class in your community. Recruit family or friends for support.

### 8 enjoy the great outdoors

Tumble in the leaves, build a snowman with your kids, or ski cross-country. Visit a county or national park and spend time hiking, canoeing, or boating.

### 9 look for wellness at work

Find a softball, basketball, or volleyball team at your job. You can also take the lead by starting a wellness or exercise group in your office.

### 10 the chores count, too!

Clean the house, wash the car, or mow the lawn with a push mower. Know that these activities count toward your goal of at least 150 minutes each week.
